

**Teacher Orientation: Saturday, June 22, 9:30AM to 12Noon
at St. Agnes Parish Center, 2nd Floor**

Summer Faith Program, 2019 Theme: Belonging, Believing & Being!

Thank you for volunteering for this year's Summer Program.

We have 180 plus middle school aged children enrolled for three weeks of fun and faith. Volunteer teachers are expected to attend a Teacher Orientation so that we can offer to the students a well organized and comprehensive program. I cannot stress how important it is that every volunteer involved in the planning and implementation of this summer program attend the June 22nd meeting. As you know if you have volunteered in the past we have a lot of fun in a very fast paced faith filled environment, which requires everyone to be on the same page.

TO BRING TO JUNE 22 MEETING:

Please bring a valid driver's license for our annual background screening (CORI check) for those volunteers 18 and older. We will also review the Archdiocesan Safety Policies and Procedures and much more.

I look forward to seeing you the 22nd.

United in Christ,
Paula Colpitts
